

3359-20-05.1 Grading system, discipline, academic probation and dismissal.

(A) Faculty grade records.

- (1) The faculty member is expected to maintain a careful and orderly record of each student's academic performance in each class. The records may be maintained in grade books provided by the university and all such records are the property of the university. When a faculty member leaves the employ of the university, or accumulates grade records no longer needed, these records should be surrendered to the department chair for disposition.
- (2) The faculty member's grade records must be legible, understandable, and complete, as they are the ultimate information in case of questions concerning a student's or a former student's academic performance.

(B) Reporting grades.

Faculty members' overall assessment of the students' classroom performance. The system will in turn notify students of any unsatisfactory performance and encourage them to seek the advice of their faculty and/or academic adviser regarding their classroom performance.

In reporting final grades, the university registrar provides each faculty member with appropriate instructions for the reporting of grades.

Quality points, are used to indicate academic performance. Overall scholastic performance is calculated on a quality point ratio basis, wherein the sum of the quality points earned is divided by the sum of the credits attempted. The quality point value for each letter grade is shown in the following table:

C+	2.3	
C	2.0	
C-	1.7	
D+	1.3	undergraduate/law courses
	0.0	graduate courses
D	1.0	undergraduate/law courses
	0.0	graduate courses
D-	0.7	undergraduate/law courses
	0.0	graduate courses
F	0.0	

symbol	quality points	key
I	0.0	incomplete
IP	0.0	in progress
AUC	0.0	audit
CR	0.0	credit
NC	0.0	no credit
WD	0.0	withdrawn
NGR	0.0	no grade reported
INV	0.0	invalid grade reported
PI	0.0	Permanent incomplete

- (2) Incomplete "I" means that the student has done passing work in the course, but some part of the work is, for good and acceptable reason, not complete at the end of the term. Failure to complete the work by the end of the following semester (not summer session, except in engineering) converts the incomplete "I" to an "F." When the work is satisfactorily completed within the allotte

- (4) Credit "CR" means that a student has shown college level competence by satisfactorily pursuing a regular university course under the credit/noncredit registration option. An undergraduate student who has completed at least fifty percent of the work toward a degree, or a postbaccalaureate student, may register for selected courses on a credit/noncredit basis. The student should consult his/her academic adviser for details.

Noncredit "NC" is assigned if the work pursued under this option is unsatisfactory. The student may secure information about this option from an adviser or from the university's "Undergraduate Bulletin."

- (5) Permanent incomplete "PI" means that the student's instructor and the instructor's dean may for special reasons authorize the change of an "I" to a "PI."
- (6) No grade reported "NGR" indicates that at the time grades were processed for the current issue of the record, no grade had been reported by the instructor.
- (7) Invalid "INV" indicates the grade reported by the instructor of the course was improperly noted and thus unacceptable for proper processing.

courses on matters such as financial aid (including scholarships and grants), eligibility for on-campus employment and housing, athletic participation, and insurance eligibility.

- (2) After the fourteen-day drop period, and subject to the limitations below, students may withdraw from a course through the seventh week (forty-ninth calendar day) of a semester or proportionally equivalent dates during summer session, intersession, or other course terms. A course withdrawal will be indicated on the student's official academic record by a grade of "WD."
 - (3) This policy shall take effect for all students at the beginning of the fall semester of 2011.
- (F) Withdrawing from courses - applicable to undergraduate students only.
- (1) Undergraduate students may not withdraw from the same course more than twice. If a student attempts to withdraw from a course after having withdrawn from it twice before, he or she will continue to be enrolled in the course and will receive a grade at the end of the semester.
 - (2) Full-time undergraduate students who need to withdraw from all courses for documented extraordinary, non-academic reasons (e.g., medical treatment or convalescence, military service) must obtain the permission of the dean of their college. For purposes of this paragraph,
 - (a) Students are considered full-time if they were enrolled as full-time students at the beginning of the term; and
 - (b) Courses for which the student has completed all requirements are excluded.
 - (3) Undergraduate students who withdraw from two courses either before they have earned thirty credits, or after they have earned thirty credits but before they have earned sixty credits, are not permitted to register for additional courses until they have consulted with their academic adviser. The purpose of this consultation is to discuss the reasons for the course withdrawals and to promote satisfactory academic progress by helping students develop strategies to complete their courses successfully.
 - (4) Except as otherwise provided below, undergraduate students may not withdraw from more than four courses before they have earned sixty credits. Students who attempt to withdraw from more than four courses will continue to be enrolled in those courses and will receive grades at the end of the semester.
 - (5) Undergraduate students who need to withdraw from all courses for documented extraordinary, non-academic reasons (e.g. medical treatment or convalescence, military service) may, after consulting with their adviser, submit a written petition to the dean of their college requesting that these courses not be counted toward the four-course withdrawal limit. The dean may grant this permission if, in the dean's judgment, it is consistent with the best academic interests of the student and the best interests of the university.

(6) After the withdrawal deadline, undergraduate students may submit a written petition to the dean of their degree-granting college requesting partial withdrawal, after the deadline, for documented extraordinary, non-academic reasons (e.g. medical treatment or convalescence, military service). If the student is not yet admitted to a degree-granting college, the withdrawal request must be submitted to the dean of the student's intended degree-granting college or, if the student has not declared a major, from the deans of the degree-granting colleges offering the courses. The dean may

of resuming coursework at the university of Akron.

- (3) The student must initiate the withdrawal request by providing written documentation of the circumstances, a current university of Akron transcript, current contact information, and a cover letter of explanation addressed to the dean of the college in which he/she is enrolled.
- (4) Upon receipt of required materials from the student, the ~~receiving~~ dean of the student's college will discuss the request with the instructor(s) of record, relevant chair(s), and other deans (if the student is requesting retroactive withdrawal from courses in other colleges). Based on these discussions, a coordinated joint response regarding the request will be formulated by the receiv

Qualified students may be exempted from courses by examination, testing, or other means approved by the college faculty in which the course is offered.

(K) Faculty tutoring.

If a faculty member tutors a student in a credit course, the student's examination and other performance in the course must be planned and evaluated by another faculty member or by an approved faculty member from another university.

(L) Repeating courses.

Any course may be repeated twice by an undergraduate student subject to the following conditions:

- (1) To secure a grade ("A" through "F") a student may repeat a course in which the previously received grade was a "C-," "D+," "D," "D-" or "F," "CR," "NC," or "AUD." Registrations under the "CR/NC" option are subject to the restrictions in the "CR/NC" policy.
- (2) To secure a "CR," a student may repeat a course in which the previously received grade was a "NC." Registrations under the "CR/NC" option are subject to the restrictions in the "CR/NC" policy.
- (3) To secure a grade ("A" through "F"), "CR," "NC," a student may repeat a course in which the previously received grade was an "AUD." Registrations under the "CR/NC" option are subject to the restrictions in the "CR/NC" policy.
- (4) A graded course ("A" through "F") may not be repeated for a grade of "AUD."
- (5) A course taken under the "CR/NC" option may not be repeated for a grade of "AUD."
- (6) With the dean's permission, a student may substitute another course if the previous course is no longer offered. Courses must be repeated at the university of Akron.
- (7) Grades for all attempts at a course will appear on the student's official academic record.
- (8) Only the grade for the last attempt will be used in the grade point average.
- (9) All grades for attempts at a course will be used in grade point calculation for the purpose of determining graduation with honors and class rank if applicable.
- (10) For purposes of this policy section, credit for this course or equivalent will apply only once toward meeting degree requirements.

(M) Approbation, probation, and dismissal.

- (1) An undergraduate student who carries twelve or more credit hours during a semester

and earns a quality point average of 3.50 or better is listed on the dean's list of the student's college.

- (2) An undergraduate student who carries twelve or more credit hours during a semester and earns a quality point average of 4.00 is listed on the president's list of the university.
 - (3) An undergraduate student who fails to maintain a total quality point ratio of 2.0 is on academic probation and is subject to such academic discipline as may be imposed by the dean of the student's college.
 - (4) Probation is a warning to the student whose academic record is unsatisfactory and who is in danger of being dismissed from the university. A student may, however, be dismissed without having previously been placed on probation.
 - (5) Students dismissed from the university are not eligible to register for any credit courses. They may, however, enroll for noncredit work. Readmission may be granted by the office responsible for readmission after consultation with the dean of the college from which the student was dismissed. If the student wishes to re-enter a college other than the one from which the student was dismissed, the office responsible for readmission must also consult with the dean of that college before a readmission decision is reached.
 - (6) Students dismissed from the university for reasons other than failure to meet academic standards are readmitted by action of the president only.
- (N) Auditing courses.

A student choosing to audit a course must elect to do so at the time of registration. The student pays the enrollment fee and may be expected to do the work prescribed for students taking the course for credit, except that of taking the examination. Any faculty member may initiate withdrawal for a student not meeting these expectations.

(O) Scheduling field trips.

The university encourages faculty members to arrange worthwhile field trips which they believe will add substantially to the course they teach. Before scheduling a field trip which is not listed in the university "Undergraduate Bulletin" as an integral part of the course, faculty members should receive approval from their dean. The request for approval should state the name and number of the course, the number of students and faculty members making the trip, the nature of the trip, the destination and the time required for the trip. If

- (1) The university reserves the right to discipline any student found responsible of academic misconduct in accordance with the code of student conduct. The student's faculty member shall refer the matter to the office of student conduct and community standards or a designated representative of that office to investigate the alleged misconduct and determine the outcome.
- (2) A faculty member who has evidence that a student has cheated in any term papers, theses, examinations or daily work shall report the student to the department chair who in turn shall report the matter to the student's dean. Faculty members should be familiar with the student disciplinary procedures in order to protect the rights of students who have been alleged of academic dishonesty or other misconduct.
- (3) All tests and examinations shall be proctored except in colleges of the university with honors systems which have been approved by the faculty senate.
- (4) Members of the faculty of the school of law should consult with their dean as to procedures under the honor system of that school. Faculty members should become familiar with the student disciplinary procedures and the school of law honor system.
